about avaran

Redefining Office Furniture Sustainability

At Avaran, we make sustainable workspaces a reality by offering high-quality, pre-owned office furniture that balances design, functionality, and environmental impact. Our system matches refurbished furniture to your layout and needs—reducing waste, cost, and carbon footprint without compromising on style.

Our values drive everything we do:

- **Circularity & Regeneration:** Every item we salvage and restore reduces waste and helps businesses transition to a more sustainable, circular model.
- **ESG Impact & Measurable Sustainability:** We help clients reduce Scope 3 emissions and track their environmental footprint through every reuse.
- **Transparency & Integrity:** We are committed to ethical sourcing, fair labor practices, and measurable sustainability impacts.
- **Collaboration & Ecosystem Thinking:** We work closely with partners, businesses, and designers to drive positive environmental and social change.
- **Adaptability & Future Readiness:** Our solutions are designed to grow with your business and adapt to the changing needs of workspaces.

OUR services

At Avaran, we offer end-to-end solutions to make office furniture reuse seamless, stylish, and sustainable.

- **Decommissioning Services:** We handle the entire lifecycle of your old furniture—from dismantling to sustainable disposal—ensuring minimal waste and maximum reuse.
- **Custom Repurposing & Fit-Outs:** Our tailored fit-out service gives pre-owned furniture a new lease on life, blending functionality with aesthetics to match your office needs.
- **Furniture Restoration & Upcycling:** Bring old pieces back to life with our upcycling service. We restore furniture to premium quality, adding character and charm to your workspace.
- **Collaboration & Ecosystem Thinking:** We work closely with partners, businesses, and designers to drive positive environmental and social change.
- **ESG Certification (Coming Soon):** Get certified for using sustainable furniture. Our upcoming ESG certification will help your business meet sustainability targets and boost brand credibility with eco-conscious clients.
